Driving Restrictions, Goods Transport Denmark

There are no driving restrictions on goods traffic at weekends or on public holidays.

EcoSticker

There are four environmental zones located in the large cities of Denmark - Copenhagen, Aalborg, Aarhus and Odense. The four cities have introduced a Low Emission Zone in their city centres, which are delimited with special traffic signs.

Violating the EcoSticker regulation can be punished with a fine up to 2,700 Euro and also lead to imprisonment.

The EcoSticker is only delivered to the vehicles corresponding to the norm EURO 4, in order to reduce the environmental impact of the vehicles of the norm EURO 1 to 3 and to distinguish them from the more recent and eco-friendly vehicles.
